### **BANKERS TAKE HOLD** OF CURTISS PLANTS

Buy Control of Two Concerns of Airship Maker-Will Form New Company.

\$6,000,000 GAINS AHEAD

Announcement has been made that undicate of bankers, headed by William orris Imbrie & Co., has purchased conof the Curtise Aeroplane Company and the Curtiss Motor Company and that egotiations are now going on for the ganisation of a new company, which ril: probably be known as the Curtise ervplane and Motor Corporation.

It is said that Glenn H. Curties will eceive for control of the companies about \$3,000,000. Part of this will be about \$3,000,000. Part of this will be stock in the new company. He will also be made president of the new concern.

The capital of the new company will consist of \$3,000,000 6 per cent. notes maturing in instalments of \$1,000,000 in twelve, fifteen and eighteen months and \$6,000,000 7 per cent. cumulative preferred stock. There will also be an issue of 150,000 shares of common stock, without par value.

rithout par value.

The \$3,000,000 notes and the \$6,000,000 The \$3,000,000 notes and the \$6,000,000 preferred stock will be underwritten by the syndicate, but the price at which the issue will be offered has not been decided. It is understood that the plan provides for the distribution of the common stock as a bonus.

The capitalization of the old Curtiss companies was \$3,000,000. It is reported that the business done during 1915 amounted to \$5,000,000. It is further reported that the company has orders

Lakewood is famous for being at its best in mid-winter.

The climate is bracing. The air has been filtered through miles of pine forest, giving it the clean, fresh fragrance of outdoors.

Every form of winter sport is enjoyed by the guests of the Laurel House. Young people tell us that no other place affords so many different opportunities for exercise and

Dancing and teas. Superior orchestral concerts. The real charm of the winter season may be enjoyed here. Let us send an illustrated book of Lakewood and the Laurel House.
